

Aubas – Colombard Gros manseng

GRAPE VARIETY

This white wine of Côtes de Gascogne is a subtil blend of the best white grape juices selected during the harvest. Three traditional grape varieties compose this wine : Colombard, Gros-manseng and Ugni-Blanc.

TERROIR

The Vineyard of Domaine Saint-Lannes, which takes its name from the neighboring Romanesque Chapel of the XIIth century, is located on clay and limestone soils and bring us a rich and strong wine marked by the terroir and a typical character.

CLIMATE

The Oceanic climate and the nearness of the Pyrénées, with the particularity of our warm summers combinate with fresh nights, is the best support to the aromatic quality of our grape.

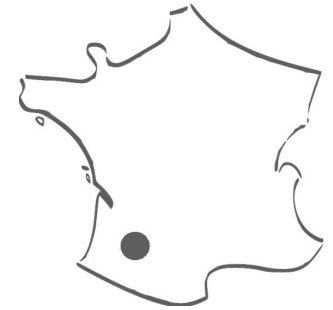

DEGUSTATION

Nose : many complex aromas of exotic and citrus fruits

Mouth : lively and fresh attack of these aromas

Suggesttion : perfect for the aperitif or with fish passing by raw vegetables and others first courses

Serve chilled (10°C)
